

AGGO

THE

HUG

Ah, ce confort qui nous entoure... Enveloppant, avec son dossier arrondi, HUG s'intègre facilement à tout environnement professionnel grâce à un piètement trois versions, pied circulaire, quatre branches ou trapèze. Devant un bureau, il devient fauteuil visiteur et peut même remplacer le panneau frontal. On le complète de poufs ronds ou carrés, à roulettes ou à pieds, qui répondent par leur mobilité au caractère fixe des canapés de la collection Agora. Comfort that surrounds us... with its cozy wrap around back, HUG integrates well into any environment with its monopod, four star base or trapezoid feet. It becomes an arm chair in casual lounge space or visitor chair in front of a desk. Add a round or square mobile ottoman which can be easily moved to compliment the character of Agora Collection modules.
